

PRIVACY POLICY

How we will use and protect your personal data that we obtain when you visit our website www.koruma.com and benefit from the services that you access through this website will subject to the terms and conditions set forth in this “*Privacy Policy*”.

When you visit this website and request to benefit from the services provided through this website, you accept the terms set forth in this “*Privacy Policy*”.

Our website adopts the protection of privacy of visitors as a principle. Therefore, this privacy policy (“Privacy Policy”) explains what kind of data we obtain during the users’ visit, how we use and protect such data.

PROTECTION OF DATA

Measures, which are necessary for the safety of transactions and data provided by the visitors and obtained from them, have been taken through appropriate technical and organizational methods by our Company or the relevant institution according to the nature of transaction and data in the systems and internet infrastructure within the scope of technological opportunities and cost factors.

www.koruma.com keeps the records of log files for statistical purposes like many standard servers. These files include information such as your IP address, internet service provider, browser features, operating system and enter-exit pages to the website. Log files are never used beyond statistical purposes, and do not violate your privacy. Your IP address and other information are not linked with your personal information.

COOKIES

The word of “Cookie” is used in order to define a small text file that webpage server inserts into hard disk of your computer. Cookies may be used at some sections of our website in order to provide easiness for users. Furthermore, cookies may be used for gathering advertisement data through the advertisements available at the website. This process is completely realized upon your permission, and you might hinder this by changing the settings of your browser if you wish.

www.koruma.com hereby guarantees to take all necessary measures and exercise due care in order to keep personal data confidential and private, to assume it as an obligation of secrecy,

to provide and maintain privacy, and to prevent confidential information from entering into public domain wholly or partly or from being used unauthorizedly or disclosed to third parties.

In spite of taking necessary measures for information security, in case confidential information is damaged or obtained by third parties as a result of attacks to our website, our website will not assume any liability.
